SIR,

Subject:— P.A.D. in Indian States.

With reference to your letter Nos. 1465/W and 1598/W dated 3-9-1942 and 18-9-1942 respectively re: the above, I have the honour to state that I consulted the Head - quarters, Bangalore Area in regard to the action to be - taken in preparing the list of towns in the State, which should be upgraded because of their growing Military importanc and they were not able to furnish any information as to the lines on which this should be done. As this is a matter relating to Passive Air Defence, unless it is known as to how cities and towns are classified under P.A.D. Scheme in other parts of India it is not possible to suggest any re-grading with due regard to the present military dispositions. If particulars are furnished as to the principles to be followed in regrading cities and towns, necessary further action will be taken.

I have the honor to be,

Sir,

Your most obedient servant,

Revenue Commissioner &
Civil Liaison Officer.

As regards category (b) the Mysore Government is not in a position to say exactly which of the ~~towns~~ ones should be ~~brought under this list~~ placed in the proposed, as it depends upon the military movements and locatio

of troops, ~~aerodromes etc.~~ from time to time The Headquarters Bangalore Area may perhaps be in a better position to guide this Government in the Classification under category (b).
